are not prepared. You perish in the extreme conditions.	You come across a person who was not prepared for winter. You are able to help this person survive by sharing your supplies. Take another turn.	You are injured by a grizzly and cannot walk or hunt. You are dependent on another player for food. If another player gives you a food card, that player gets an extra turn, and you heal. If you do not get food, you die and are out of game. Play resumes to your right.	You take a shot at a caribou but miss. Try again next round.
